

Another amazing
Presentation!

INFLUENCE & MAKING THINGS HAPPEN

**Join reknowned speaker Jamie Sabbach
as we discuss what it takes to gain more influence,
lead change and make things happen.**

If you're like most, you probably wish you had more influence.

It seems the vast majority stop trying to initiate change because they believe they have little to no control. What results is that they learn to accept things as they are rather than putting energy into what can be done to improve conditions.
